PROFESSIONAL DESIGN SERVICES

Invitation to Multidisciplinary Consultancy Team for Expressions of Interest

Cork City Council invites Expressions of Interest from a multidisciplinary consultancy team including suitably qualified and experienced Landscape Architects, Architects & Urban Designers, Art Consultants, Civil and Structural Engineers, Mechanical and Electrical Engineers and Quantity Surveyors in relation to the design of **the Public Realm in Cork Docklands**.

The services required will involve the preparation of a world class design of the full extent of the public realm within the North & South Docks areas including designs of streetscapes, pocket parks, neighbourhood parks and linear parks, plazas, 2.5 km of quayside amenity area, water features, cycleways/pedestrian routes to Part 8 Planning stage.

Project documentation is available on the www.etenders.gov.ie website.

**The closing date for submission of Expressions of Interest is
16.00 on Friday 5th June 2009**

Patrick Ledwidge, Director of Services,
Docklands Directorate, Cork City Council
