

# Experienced Landscape Architect

Belfast / Dublin

The Paul Hogarth Company are seeking to appoint an experienced, Chartered Landscape Architect (LI/ILI equivalent) to join our award-winning practice.

Principally based out of our Belfast Office, but also offering flexible working arrangements between NI & Republic of Ireland this position offer candidates an opportunity to work on a wide range of exciting projects across all of Ireland and the UK. This position offers significant potential for career progression and would suit a talented, highly motivated person with a strong team ethos.

The successful candidate will strengthen our existing team and will provide a strong focus on developing projects from concept stages through to the detailed design and delivery of large, often complex landscape and public realm projects. Candidates must be competent in both AutoCAD and Adobe graphic design software and possess good written and verbal communication skills as report writing, client and design team liaison and engagement with stakeholders and communities on projects will be a requirement of the post. Candidates also possessing the skills to work alongside our multidisciplinary team on masterplanning and urban design commissions would be an advantage.

A competitive salary will be offered to the successful person

Applicants should provide a Curriculum Vitae, short portfolio (circ. 8-10 page) of recent work and a covering letter that explains why they are suited to this position.

Applications are to be sent electronically to [tricia@paulhogarth.com](mailto:tricia@paulhogarth.com) by Monday 22<sup>nd</sup> October 2018.

The Paul Hogarth Company is an equal opportunities employer.
