PROFESSIONAL PRACTICE EXAMINATION GUIDANCE NOTES

1.0 Regulations and Syllabus for the Professional Practice Examination

The Guidance Notes and Examination Syllabus for the Professional Practice Examination are supplied free when applicants are accepted as graduate members of the Landscape Institute and apply to register for the professional practice examination.

2.0 Professional Practice Examination

2.1 The purpose of the Professional Practice Examination is to establish a candidate's fitness to be admitted to full professional membership of the Irish Landscape Institute. The exam is a means of establishing whether a candidate has attained an appropriate level of technical and professional competence in professional practice.

2.2 Candidates are expected to demonstrate that they are capable of the practical interpretation and application of their knowledge.

3.0 Eligibility

3.1 Candidates should be graduate members of the Irish Landscape Institute

3.2 Candidates should have commenced the minimum qualifying work experience 2 years prior to taking the examination. Work experience is to be supervised by a professional landscape architect who is a full member of the Irish Landscape Institute.

3.3 Applicants who fail in these two principal requirements will be considered ineligible to take the examination.

4.0 Prior Experience

4.1 Where candidates are graduates of an ILI/EFLA accredited landscape course and wish to take the Professional Practice examination they must have at least 2 years full time experience in order to qualify to take the examination. The appropriateness of the experience will be judged by the Council of the ILI based on the Work Experience Record Book, which must be submitted by the candidate. The purpose of the record is in order to assess the extent to which the work experience qualifies the candidate to act in a professional capacity as a landscape practitioner.

4.2 Regular part time work is acceptable provided that it is equivalent in total to 2 years full time experience.

Candidates who are deemed not to have had adequate prior experience will not be permitted to take the examination.

4.3 Where candidates are not graduates of an ILI/EFLA accredited landscape course and wish to take the Professional Practice examination, in addition to 4.1 above the candidate must present a portfolio of design related work for appraisal by the Institute.

5.0 Recording of Experience – Work Experience Record Book

5.1 During their qualifying work experience all candidates must complete the Work Experience Record Book. This document is available from the Irish Landscape Institute. Candidates are advised to start to fill in their Work Experience Record Books as soon as they start work. (See Sample provided).

5.2 Professional Practice competency will be assessed, by written paper. Where, on the basis of the written paper, a candidate's results are considered to be borderline they shall be requested to present for an oral examination of their professional practice knowledge. Where an oral examination is required the candidate shall normally be interviewed and assessed by three examiners, two ILI members and one from another organisation i.e. RIAI or LI, Northern Ireland Chapter.

PROFESSIONAL PRACTICE EXAMINATION

NOTES ON REGISTRATION

(Please keep these notes for reference)

1. The closing date for registration for the examination is **the 31st of July 2019**. The Institute will acknowledge receipt of all Registration Forms received by email or post as appropriate. Please note that the institute cannot take responsibility for forms, which are delayed or lost in the post. Therefore, if an acknowledgement has not been received by email or post it is the responsibility of candidates to check that the forms have been received by the Institute prior to the closing date.
2. The written examination will consist of two papers and the overall pass mark is set at 60%. A minimum mark of 50% must be attained in each of the papers. Where candidates are considered borderline, i.e. attaining an overall mark of between 50 and 59%, they may be requested to attend an interview, where their suitability for acceptance to full membership will be considered. If candidates successfully pass all parts of the examination you are automatically entitled to apply for election to full professional membership (MILI) of the Institute at the first Council meeting after the examination results are issued. However, candidates will not become liable for the full membership fee until the beginning of the next subscription year.
3. By registering for the examination, candidates are automatically deemed to abide by the examination regulations. These are contained in the Guidance Notes, a copy of which you should have received with your Application Form. Candidates should read these carefully prior to completing the form.
4. Please remember that all correspondence relating to the examination, including the results, will be sent to address on the registration form or emailed to the email address provided. This should be considered when deciding whether to use your work or home address. If you change your address you should notify the Institute immediately, in writing, stating that you are a candidate for the Professional Practice Examination.
5. According to examination regulations you must be a graduate member of The Irish Landscape Institute prior to registering for the examination.
6. Where the candidate is a graduate of an IFLA Europe accredited course, assessment of a candidate's suitability to sit the examination shall be based on consideration of a candidate's Work Experience Record Book. This 'work experience book' must cover a minimum period of two years experience and the record book must be submitted at two stages to allow for consideration of experience, see note 10 below. If in doubt about whether you meet the requirements, please contact the Institute to check.
7. Where the candidate is not a graduate of an EFLA accredited course, assessment of a candidate's suitability to sit the examination, will also involve an appraisal of a candidate's portfolio of design related works. Appraisal of a candidate's portfolio will take place in the summer (or time agree) prior to the examination. Further assessment shall be based on consideration of a candidate's Work Experience Record Book as stated in 6 above.
8. The examination will be held in Dublin. Confirmation of the actual dates and venue will be announced, by post, as far in advance as possible.
9. The examination fees for the Professional Practice examination are as follows: -

Written Paper: EUR€75.00 Oral Examination (Only Where applicable) : EUR€25.00

A candidate will only be requested to present for an oral examination where the result of written paper is considered borderline, i.e. attaining between 50 and 59%. Should the candidate fail or not present for the oral examination, the candidate must re-sit the written paper.

Candidates should initially pay the written paper fee only (i.e. EUR€75.00 – cheques made payable to The Irish Landscape Institute or by EFT (details) or Paypal (link)). Candidates who must undertake an oral examination will receive a request for an additional fee prior to the examination. Repeat examination candidates are not required to pay for the written examination, if re-taken at the next opportunity. This does not apply for a second re-take situation.

Payment details are available on the ILI website: <http://www.irishlandscapeinstitute.com/education/ili-professional-practice-exam/>

10. Candidates will receive confirmation of registration acceptance together with further information about preparing for the examination. In the meantime, please note that the first submission of the Work Experience Record Book should be sent along with your application form by the advised deadline. The second submission should be made in line with the deadline advised by the ILI exams committee.

Please note that the original and one copy must be submitted on each occasion.

Contact the Institute at ili@irishlandscapeinstitute.com or 086 4170919 if you need any further information about the exam.
